MEDICAL ASSISTANT ORIENTATIONS COMING SOON!

You **MUST** have an account created before you can sign-up for an orientation. If you don't already have one, please create one **PRIOR** to the sign-up dates. Creating an account on the day of sign-ups may cause a delay in the sign-up process and could jeopardize your chances of securing a spot for orientation. Contact the office at 559-686-0225 if you need to confirm whether you have an account or need help creating a one.
